

Glenda Ritz, NBCT

Indiana Superintendent of Public Instruction

Early Learning Summit

AGENDA

February 19, 2014

Thank you for taking time to join us today. Our goals for the day include:

- Address improving the practice and process of transition from early childhood programs or home to Kindergarten and/or 1st grade to build shared approaches for using assessment data and joint professional development.
- Mapping and coordination of the Foundations, ISTAR-KR, and data to drive instruction, planning, and decision making across child care, Head Start, pre-k programs, and the Office of Special Education supported early childhood programs and Kindergarten – 3rd grade classrooms.
- Exploring the concept of a school readiness report and gaining input on key indicators and communication in order to link data on young children and early childhood programs for use by the receiving school.

12:00 – 1:00 PM	Registration and check in
1:00 PM	Welcome and Opening Comments Charlie Geier, Director of Early Learning and Intervention
1:15 PM	Research on Key Topics Chris Rauscher, American Institute of Research
